MODE OF ASSESSMENT

Session : 2020-2021

KINDERGARTEN (Nursery, LKG, UKG)

The emphasis is on skill development. There is no formal assessment. However, the teacher closely monitors and observes the development and growth of the child during the course of the academic session and the report of each student is based on these observations.

CLASSES I TO VIII

Assessment in Classes I — VIII is an ongoing process, that lays emphasis on understanding rather than just evaluation. It is based on the teacher's observations, class-room tasks and students interactions. The academic year is divided in two terms. Each term culminates with a formal evaluation.

Term I (April to September) : There is a continuous and comprehensive evaluation along with a Mid Term Examination to be conducted in the month of September, 2020.

Term II (October to March) : There is a continuous and comprehensive evaluation along with Final Term Examination to be conducted in the month of March, 2021.

Higher order thinking skills, class interaction, consistency of effort, project work, anecdotal record, home and class assignments, recapitulation, speaking skills, creativity, general awareness, discipline, health & physical education, art education, life skills activities, sports and other co-scholastic activities will be evaluated on a regular basis and will form an integral part of the continuous evaluation and the grades will be reflected in the report.

CLASS IX

Evaluation is continuous and spread evenly over the entire academic session as per the latest CBSE guidelines for scholastic & co-scholastic areas.
